

About Nomura Report 2016

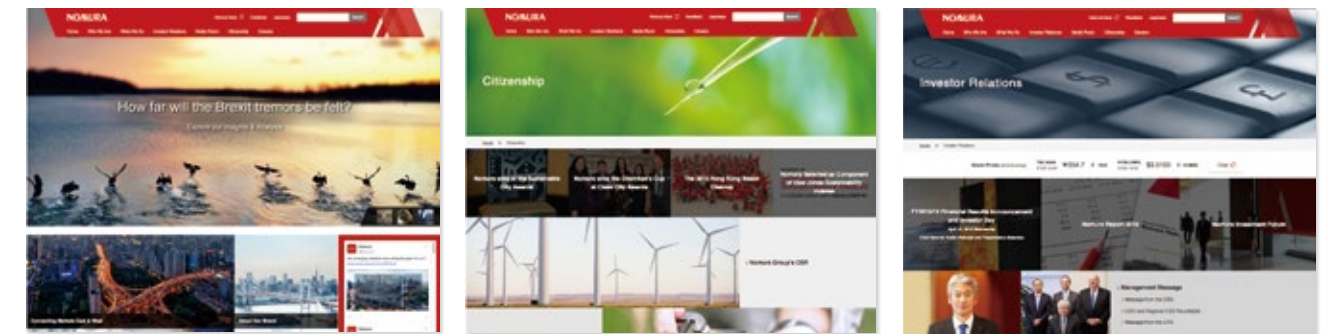

In FY2012/13, we began publishing the Nomura Report, an integrated version of our annual report and our citizenship report, which detailed our CSR initiatives.

We hope that this integrated report helps readers gain a broader understanding of our activities to support sustainable development and aim to grow and develop together with our stakeholders, including our clients and shareholders, as Asia's global investment bank.

Forward-Looking Statements

This Nomura Report contains forward-looking statements about the future plans, strategies, beliefs, and performance of Nomura Group. These forward-looking statements are not historical facts. They are expectations, estimates, forecasts, and projections based on information currently available to the Company and are subject to a number of risks, uncertainties, and assumptions, which, without limitation, include market trends, economic trends, competition in the financial industry, laws and regulations, and tax systems. As such, actual results may differ materially from those projected.

< Additional Information > Please visit the Nomura websites if you require more detailed information than has been included in this Nomura Report.
