- Notes: 1. Gain (loss) on investments in equity securities, our share of equity in the earnings (losses) of affiliates, impairment losses on long-lived assets, corporate items and other financial adjustments are included as "Other" operating results outside business segments in our segment information. Unrealized gain (loss) on investments held for operating purposes and the effects of consolidation and deconsolidation of certain investments in our private equity business are classified as reconciling items outside our segment information. In addition, Statement of Position 07-1, "Clarification of the Scope of the Audit and Accounting Guide—Investment Companies and Accounting by Parent Companies and Equity Method Investors for Investments in Investment Companies" has been applied for private equity investments since the year ended March 31, 2008.
2. In accordance with SFAS No. 144 "Accounting for the Impairment or Disposal of Long-Lived Assets," net revenue and non-interest expenses from operations that were treated as discontinued during the fiscal year ended March 31, 2006, are separately reported as income from discontinued operations.
3. In April 2004, Fixed Income, Equity and certain functions of Investment Banking were consolidated to create Global Markets. Global Markets figures up to FY2004.3 are the total of Fixed Income and Equity and differ slightly in composition from those of FY2005.3 onward.
4. In January 2006, certain functions of Other business were integrated into Asset Management. Certain reclassifications of previously reported amounts have been made to conform to the current presentation.
5. The defined contribution pension plan business in Asset Management was integrated to Other business in the second quarter of the fiscal year ending March 31, 2009. Certain reclassifications of previously reported amounts have been made to conform to the current presentation.
