(3) Changes in Accounting Principles, Procedures and Presentations

Transfers of financial assets and consolidation of variable interest entities -

On April 1, 2010, Nomura adopted amendments to Accounting Standard Codification Topic (“ASC”) 810 “*Consolidation*” introduced by Accounting Standards Update (“ASU”) 2009-17. The ASU revises the definition of a variable interest entity (“VIE”), when a reporting entity is required to consolidate a VIE and when reassessment of a consolidation decision is required. As a result, the balance of the retained earnings at the beginning of the year has been adjusted.

Also on April 1, 2010, Nomura adopted amendments to ASC 860 “*Transfers and Servicing*” introduced by ASU 2009-16. The ASU revises the accounting for transfers of financial assets and eliminates the concept of a qualifying special purpose entity (“QSPE”). Entities formerly meeting the definition of a QSPE are now evaluated for consolidation under the revised consolidation guidance provided by ASC 810 as amended by ASU 2009-17.

Net investment hedge -

Effectively from April 1, 2010, Nomura adopted net investment hedging to mitigate foreign exchange risks created by some significant foreign subsidiaries. Accordingly, the net translation adjustment amount recognized in the consolidation processes is reduced by the effective portion of the foreign exchange gains (or losses) on the hedging instruments for net investment in such foreign subsidiaries.

3. Quarterly Consolidated Financial Statements

The quarterly consolidated financial information herein has been prepared in accordance with Nomura's accounting policies which are disclosed in the notes to the consolidated financial statements of Nomura Holdings, Inc.'s Annual Securities Report (the annual report filed in Japan on June 29, 2010) and Form 20-F (the annual report filed with the U.S. Securities and Exchange Commission on June 29, 2010) for the year ended March 31, 2010.

In relation to significant changes to accounting principles, procedures and presentation (changes in accordance with amendments to the accounting standards), please refer to section “2. *Others, (3) Changes in Accounting Principles, Procedures and Presentations*”.

The review process of the quarterly consolidated financial statements for this period has not been completed by the external auditors.
