## Key points

- Net revenue: Y130.1bn (-5% QoQ; +35% YoY)
- Income before income taxes: Y5.7bn (-50% QoQ)

### Fixed Income

- Revenues of Y67.6bn down only slightly QoQ as higher revenues from Credit and FX products offset an industry-wide decline in Rates revenues from macro uncertainties
  - Credit revenues increased versus last quarter, primarily driven by rise in appetite for Non-Yen bonds among Japan investors and pick-up in structured credit transactions in EMEA and AEJ
  - FX delivered best quarter in last two years tapping into growth opportunities in LatAm currencies

### Equities

- Market volumes dropped significantly due to weaker investor risk appetite on concerns over political instability mainly in Europe as well as the economic outlook in Japan following the earthquake. Despite this, Equities net revenue was Y56.7bn, down only 12% QoQ
- Revenues increased in the Americas and AEJ, offset by subdued results in Japan and EMEA
  - Americas revenues have continued to trend upwards since launch of Cash platform last October; Program trading and derivatives robust in 1Q
  - AEJ client revenues grew in both cash and derivatives businesses
  - Conducted Japan equity campaign under extremely difficult environment in Japan

# Global Markets: Americas build out

## Americas' share of total revenues increasing

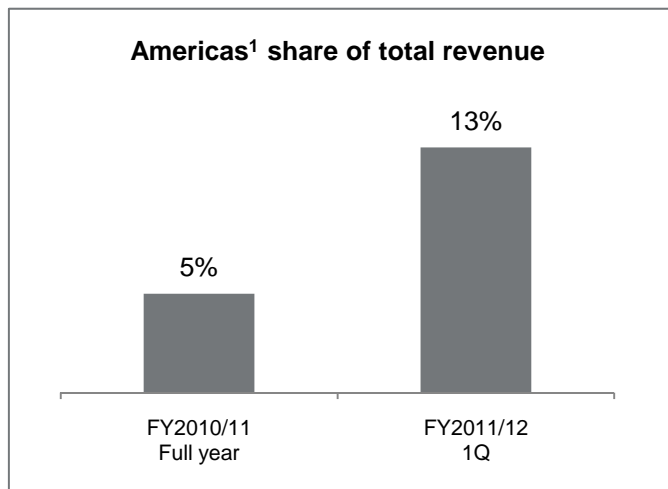

## Market share and presence increasing

**Fixed Income**

- Remained in top 10 for CMO<sup>2</sup> underwriting in the US with FY2011/12 1Q market share of 4.2%
- Top 10 ranking in Q1 for mortgage backed trading<sup>3</sup>
- US Treasuries primary dealer market share in FY2011/12 1Q of 4.1%
- FX global ranking increased to number 14, up from 18 last year<sup>4</sup>, also reflecting stronger presence in the US market
- Client penetration increased from 8% to 22% in the Americas in 2011 survey by a leading third-party

**Equities**

- Market share on NYSE and Nasdaq continuing to grow following launch of US Equities cash business in October 2010 (Sales, Trading, Research)
  - Derivative client business also growing, making steady contributions to revenues
  - Top 10 rankings for two straight quarters in third-party surveys

## Key points

- Gross revenue<sup>1</sup> of Y32.3bn (-41% QoQ; +11% YoY)
- Loss before income taxes: Y20.6bn
- Continued to diversify revenue base: Revenue growth in international businesses, particularly in the US; Significant revenue generated from pull-through (multi-product) M&A deals with products such as leveraged finance, derivatives and other solutions; Expansion of solutions business
- Japan
  - Corporate activity dropped off following the earthquake, but recent signs indicate that more corporates are starting to look at M&A; DCM market for overseas issuers is picking up
  - Revenues also driven by high-profile, cross-border M&A deals that closed during the quarter
- EMEA
  - Continued to maximize M&A pull-through revenue from multiple products including leveraged finance
  - Solutions businesses generated significant revenues led by Insurance Solutions on the back of tighter capital requirements
  - Sponsor activity remained robust
- AEJ
  - M&A revenues driven by cross-border deals
  - Increased presence in AEJ ECM through bookrunning several large CB issuances including Lotte Shopping CB (largest ever CB deal in AEJ consumer / retail sector)
- Americas
  - Revenue steadily expanded during the quarter: Booked revenues from sponsors related deals and solutions business; Pull-through revenue from M&A deals with leveraged finance component (including Vestar Capital's acquisition of Triton)
