## **Chi-X Europe to Donate 8 May Net Trading Revenues to Macmillan Cancer Support**

LONDON – 7 May 2009 – Chi-X Europe Limited, operator of the largest pan-European equity multilateral trading facility (MTF), today announced that as part of its commitment to Macmillan Cancer Support, all net trading revenues generated on Friday, 8 May 2009, will be donated to the charity.

Chi-X Europe nominated Macmillan Cancer Support as its charity of choice in November 2008, and asked a number of its 15 shareholders to nominate a day on which all revenues would be donated.

Robert Barnes, Managing Director Equities at UBS Investment Bank and Chairman of the LIBA Securities Trading Committee, said: “Chi-X Europe deserves thanks for raising the profile of Macmillan’s work. This is a great opportunity for market participants to show that they care.”

### **About Chi-X® Europe**

Chi-X Europe Limited is an FSA-authorized securities firm operating a multilateral trading facility (MTF) for the trading of a wide range of European equities. Chi-X Europe’s low-cost, streamlined operating model is designed to help trading participants achieve ultra-low execution, clearing and settlement costs, and benchmark tests have shown Chi-X Europe to be significantly faster than Europe’s traditional equity exchanges. Chi-X Europe disseminates real-time market data to clients directly and via third-party market data vendors at no cost, and off-exchange trade reporting is available for a low monthly fee.
