1. SARs to be Issued

- 1.1 SARs No. 52 (for directors, executive officers and employees of the Company and subsidiaries of the Company)
- 1.2 SARs No. 53 (for directors, executive officers and employees of the Company and subsidiaries of the Company)
- 1.3 SARs No. 54 (for directors, executive officers and employees of the Company and subsidiaries of the Company)

SARs No. 52, No. 53 and No. 54 will be issued in accordance with Articles 236, 238 and 240 of the Companies Act of Japan.

2. Reasons for Issuance of SARs

The Exercise Price of SARs will be one (1) yen per share and will be granted to directors, executive officers and employees of the Company and its subsidiaries in lieu of a portion of cash compensation.

The SARs will be issued as deferred compensation to grantees and are restricted from being exercised for approximately one year up to three years from the issuance resolution date (today).

1. Retain talented personnel for longer terms by introducing deferred payment rather than paying compensation entirely in cash.
2. Align the interests of directors, executive officers and employees with those of shareholders by reflecting changes of share value in compensation packages.
3. Create a common objective for Nomura Group in terms of improving performance and trust by sharing a common incentive plan for executive officers and employees working in different business divisions and regions.

¹ The Executive Management Board consists of the Group CEO (Representative Executive Officer), the Group COO (Representative Executive Officer), Division CEOs, and any other executive officers nominated by the Group CEO, and via Board of Directors resolutions decides important business matters including the issuance of SARs.
