

Nomura Supports Education with Global Charity Challenge

Tokyo, October 1, 2025— Nomura Holdings, Inc. hosted its annual Global Charity Challenge 2025 throughout September for employees and executives across the firm.

This initiative was launched during the pandemic in 2020 to help employees stay active, while giving back to society. More than 5,400 participants have joined to date and Nomura has supported over 40 organizations.

Each year, employees from Nomura's offices worldwide take part in activities such as running, cycling, stair climbing, and Taiko drum performances. Participants donate any amount as a participation fee and Nomura matches the total funds raised.

The global theme for this year is education. Funds raised will be donated through partner organizations in each region to support learning opportunities for children, provide educational materials and offer scholarships.

Overview of Global Charity Challenge 2025
