

Nomura Announces Donation to Support Treatment of Novel Coronavirus in China

Tokyo, February 6, 2020—Nomura Holdings, Inc. today announced that it will donate 1.5 million RMB to support the treatment of people affected by the novel coronavirus. The donation will be made to the Embassy of the People's Republic of China in Japan.

Nomura extends its heartfelt condolences to the victims and their families, and its thoughts are with those still infected.

“We appreciate that the Chinese government and everyone involved in the fight against the novel coronavirus are making extraordinary efforts, and we pay our deepest tribute to the medical staff and volunteers working hard on the frontline. To support these efforts, Nomura today decided to make a contribution to help prevent the spread of the virus in China,” said Toshiyasu Iiyama, Head of Nomura China Committee.
