1. SARs to be Issued

- (1) SARs No. 63
- (2) SARs No. 64
- (3) SARs No. 65
- (4) SARs No. 66
- (5) SARs No. 67

SARs No. 63 to No. 67 will be issued to directors, executive officers and/or employees of the Company and/or its subsidiaries, etc. in accordance with Articles 236, 238 and 240 of the Companies Act of Japan.

2. Reasons for Issuance of SARs

The Exercise Price of SARs will be one (1) yen per share and will be granted to directors, executive officers and employees of the Company, etc., and its subsidiaries in lieu of a portion of cash compensation.

The SARs will be issued as deferred compensation to grantees and are restricted from being exercised for approximately six months up to three years from the issuance resolution date (today).

By restricting the exercise of the rights, the SARs No. 63, No. 64 and No. 65 are expected to have the following benefits.

1. Retain talented personnel for longer terms by introducing deferred payment.
2. Align the interests of directors, executive officers and employees with those of shareholders by reflecting changes of share price in compensation packages.
3. Create a common objective for Nomura Group in terms of improving performance and trust by sharing a common incentive plan for executive officers and employees working in different business divisions and regions.

SARs No. 66 and No. 67 will be granted with exercise restriction periods of approximately six months and one year, respectively, in lieu of a portion of fixed allowance in accordance with remuneration regulations in Europe.

¹ The Executive Management Board consists of the Group CEO (Representative Executive Officer), the Group COO (Representative Executive Officer), Division CEOs, and any other executive officers nominated by the Group CEO, and via Board of Directors resolutions decides important business matters including the issuance of SARs.
