

David Mitchell Joins Chi-X Australia as Business Development Manager

SYDNEY — 31 January 2012 — Chi-X Australia Pty Ltd, a wholly owned subsidiary of alternative trading venue operator Chi-X® Global Holdings LLC, today announced the appointment of David Mitchell as Business Development Manager. Mitchell joins from the ASX as Chi-X Australia continues to build its scale and presence in the Australian cash equities market after three months of operation.

Peter Fowler, Chief Operating Officer of Chi-X Australia, commented: “David Mitchell has both valuable international experience and an ingrained knowledge of the Australian market. David shares our philosophy of client-driven innovation and adapting to meet the needs of the Australian trading market. His international market experience complements our desire to grow our market with new and existing participants through our world class trading platform.”

Commenting on his appointment, David Mitchell said: “The early benefits of competition to the Australian financial services sector have been exciting. I am looking forward to building on the positive relationships Chi-X Australia has established with trading participants, investors, government and regulators.”

David Mitchell’s 17 years of experience in financial markets have included the roles of International Clearing Supervisor at Deutsche Bank AG, Treasury Operations Officer at the Industrial Bank of Japan and, most recently, Regional Manager (North America) at Australian Securities Exchange (US) Inc.

About Chi-X® Australia

Chi-X Australia Pty Ltd is a wholly owned subsidiary of Chi-X Global Holdings LLC. Chi-X Australia operates a trading system for trading ASX-listed securities that provides a high performance, high capacity market place and low latency. The recent launch of Chi-X Australia has paved the way for the introduction of innovative new orders types, lower costs and the provision of a more efficient way to trade equities in Australia.

About Chi-X® Global

Owned by a consortium of major financial institutions, Chi-X Global operates Chi-X Australia, Chi-X Canada and Chi-X Japan, and jointly operates Chi-East, a 50:50 venture with a subsidiary of the Singapore Exchange. Its Chi-Tech technology services unit provides technology to its business lines and its Chi-FX platform is planned for launch in Brazil during Q1 2012 in a venture with BM&FBOVESPA.
