Nomura Report 2020 Now Available

Nomura Holdings today issued the Nomura Report 2020, an integrated version of the firm's Annual Report and Citizenship Report.

Nomura has been issuing this report since 2012 to provide clients, shareholders, employees and other stakeholders with a broad understanding of the firm's business activities.

This year's report focuses on the firm's strategies for realizing its 2025 management vision to achieve sustainable growth by helping solve social issues, which was announced in May 2020. It also introduces the firm's approach to sustainable finance leveraging Nomura's collective expertise and strengths, as well as consistent and effective disclosures aligned with the TCFDⁱ recommendations.

We hope that this integrated report helps readers better understand Nomura Group.
