

2012 Grants Update

Greenhouse

Impacts 2,200 young people

- Greenhouse empowers young people in London's most disadvantaged communities to realise their potential through intensive sport and dance programmes delivered by inspirational coaches
- Greenhouse was awarded a grant of £56,000 over one year to fund their table-tennis academy at Morpeth School in East London. The programme focuses on developing young people's engagement with their education and community whilst improving their health and wellbeing

Oaklands Secondary School

Impacts 600 young people

- Oaklands is a small secondary school in Tower Hamlets with 600 students and 47 teaching staff. Situated in one of the most deprived parts of the UK, at the last Ofsted inspection the school was graded as outstanding and is designated as a High Performing specialist school
- Oaklands Secondary School was awarded a grant of £55,000 to continue to enrich the curriculum for study support, extracurricular activities and to enhance the international dimension of the school

East London Business Alliance (ELBA)

Impacts 1,500 young people

- ELBA aims to create possibilities and opportunities in East London by connecting businesses to local people, public and community partners to enable social, economic and infrastructure change
- ELBA was awarded a grant of £35,000 to fund the Beyond Boundary project to support a community regeneration project in the Boundary estate in Bishopsgate over one year

IntoUniversity

Impacts 500 young people

- IntoUniversity provides a national network of high quality, local learning centres where young people facing challenges are inspired to achieve. Each local centre offers an innovative programme of academic support and mentoring in order to raise young people's aspirations and improve their life chances
- IntoUniversity was awarded a grant of £30,000 to fund the running costs of a career and further education centre to support 500 young people over one year

ThinkForward

Impacts 70 young people

- ThinkForward aims to reduce the number of young people not in education, employment or training (NEET) so they can reach their full potential
- ThinkForward was awarded a grant of £100,000 to fund a coach at Oaklands Secondary School over two years. The coach will identify at-risk 14 year olds and provide them with targeted support to ensure that they transition successfully into work, education or training

Shakespeare's Globe

Impacts 600 young people

- Shakespeare's Globe aims to promote, maintain and advance education by encouraging and stimulating public appreciation and understanding of the dramatic art in all its forms, principally in relation to the performance of the works of William Shakespeare
- Shakespeare's Globe was awarded a grant of £38,000 to fund an early years transition project in five primary schools in Southwark over two years
