

## 2015 Grants update

### Chance to Shine

**Impacts 70 young people**

- Chance to Shine aims to give every young person the opportunity to play and learn through cricket. Its mission is to spread the power of cricket in schools and communities, inspiring 1 million more young people by 2020. The charity delivers two main programmes, a Schools Programme to provide cricketing opportunities in state schools and a Street Programme engaging young people through cricket in disadvantaged areas.
- Chance to Shine was awarded £27,000 to support the delivery of three 'Chance to Shine Street' projects across Tower Hamlets and Lambeth reaching over 70 young people per week.

### Debate Mate

**Impacts 200 young people**

- Debate Mate's mission is to dramatically increase the life chances of disadvantaged young people (9-18 year olds) through personal empowerment and attainment of the core skills required to achieve social mobility through after-school debate clubs. Debate Mate teaches debating to develop communication, teamwork, leadership and critical thinking, whilst also building confidence, resilience and self-esteem.
- Debate Mate has been awarded £35,000 over one year to fund the delivery of their core after-school debate club programme in ten schools across London, reaching up to 200 young people

### East London Business Alliance (ELBA)

**Impacts 250 young people**

- ELBA exists to create possibilities and opportunities in East London by connecting business to local people, alongside public and community partners, to enable social, economic and infrastructure change. ELBA's mission is to create a landscape where businesses support and compliment the development goals of local disadvantaged communities
- ELBA was awarded a renewal grant £30,000 to fund the 'Beyond Boundary' project; a community regeneration project in the Boundary Estate in Bethnal Green, focusing on raising aspirations and employability of the young people in the area.

### Futureversity

**Impacts 208 young people**

- Futureversity is an education charity providing free courses and activities for 11-25 year olds to help them develop the skills and self-belief to make the most of their lives. Their programmes have been proven to raise aspirations, reduce youth crime, break down racial tensions and get unemployed young people off benefits and into work.
- Futureversity has been awarded a grant of £29,000 to support 'Vacation Education', a non-formal learning programme, which would take place during school holidays to be delivered from May 2015 reaching 208 young people from disadvantaged backgrounds.

### Greenhouse Sports

**Impacts 80 young people**

- Greenhouse Sports is a London based charity that uses sport to engage young people living in the inner-city. Greenhouse Sports aims to develop social, thinking, emotional and physical skills for young people in London's communities through high quality, intensive sports programmes delivered by inspirational coaches.
- Greenhouse was awarded a grant of £68,000 over two years (£34,000 per year) to fund the delivery of their core 13-15 age group football programme for two teams, to intensively engage 80 young people in London.

## IntoUniversity

**Impacts 1,200 young people**

- IntoUniversity is an entrepreneurial education charity which aims to advance the education of children and young people in disadvantaged communities across the UK by running a national network of high quality, local education centres providing services to address educational underachievement and social exclusion.
- IntoUniversity was awarded a grant of £100,000 to fund two Graduate Education Worker salaries at the Haringey North Centre, impacting 1,200 students through the IntoUniversity Programme.

## Oaklands Secondary School

**Impacts 750 young people**

- Oaklands is a small secondary school in Tower Hamlets with 750 students. Situated in one of the most deprived parts of the UK the school specializes in science and languages with a strong international focus, with regular visits from academic partners around the world.
- Oaklands Secondary School was awarded a renewal grant of £35,000 towards enriching the school's extracurricular programme and to boost grades and attainment at Key Stages 3-5 (11-18 year olds) in the 2015/16 academic year reaching 803 young people.

## Place2Be

**Impacts 2,800 young people**

- Place2Be is the leading UK provider of school-based mental health support, unlocking children's potential in the classroom and beyond. It aims to enhance the wellbeing and prospects of children and their families by providing access to therapeutic and emotional support in schools, using a proven model backed up by research and training
- Place2Be was awarded a grant of £100,000 to support the delivery of counselling, referral, consultation, training and parental guidance services in six primary schools across Ealing and Southwark.

## School-Home Support

**Impacts 150 families**

- School-Home Support (SHS) works on the simple ethos of getting every child in school and ready to learn, whatever it takes. Dedicated SHS practitioners offer a combination of specialist support, emotional and practical advice to vulnerable children and young people
- School-Home Support was awarded a renewal grant of £40,000 over one year to fund the provision of three part-time practitioners in three London primary schools, reaching 150 families.

## Teens and Toddlers

**Impacts 64 young people**

- The Teens and Toddlers flagship programme is unique and innovative as it targets two sets of vulnerable children simultaneously, raising the aspirations of young people (13-17 year olds) from disadvantaged areas by pairing them as a mentor and role model with a nursery child who is in need of extra support.
- Teens and Toddlers has been awarded a grant of £30,000 for one year to support four youth mentoring programmes across London reaching 32 young people and 32 nursery children.

---

### **The Brokerage Citylink**

**Impacts 800 young people**

- The Brokerage offers a pathway of opportunities for talented young Londoners who are aiming towards a future career in business, finance, professional services or corporate law.
- The Brokerage has been awarded a renewal grant of £35,000 to fund the delivery of 32 'Introduction to Working life' workshops in primary schools in Southwark, reaching up to 800 students.

---

### **ThinkForward**

**Impacts 70 young people**

- ThinkForward aims to help young people navigate the often difficult transition from school into work. By intervening early and providing long term personalised support from highly skilled coaches
- ThinkForward was awarded a grant of £100,000 to fund the placement of an experienced Coach in our partner Secondary School, Oaklands, to support under-performing students, aged 14-19 years, at risk of becoming NEET.

---

### **Tower Hamlets Education Business Partnership (THEBP)**

**Impacts 560 young people**

- THEBP are an independent charity supporting the education, training and development of young people by forming mutually beneficial partnerships between businesses and schools.
- THEBP was awarded a renewal grant of £25,000 to support the 'Passport to Employability' programme in Tower Hamlets. The project offer Schools a high quality, innovative employability skills programme which will be backed up by a nationally recognised qualification.

---

### **Young Enterprise**

**Impacts 3,640 young people**

- Young Enterprise are the UK's leading enterprise and financial education charity. YE programmes offer a journey, from gaining knowledge through to developing skills and changing attitudes, arming young people with the confidence to aim high and the knowledge and skills to succeed.
  - Young Enterprise has been awarded a renewal £35,000 to fund a pilot 'Centre of Excellence' programme integrating finance and enterprise education impacting approx 3,640 young people over 4 years
-
